

II International Conference on Molecules, Polymers and Material Physics

CERTIFICATE OF ATTENDANCE

This is to certify that a poster entitled **“Synthesis, characterization and photocatalytic degradation of methylene blue with phases mixture of TiO_2 obtained by sol-gel assisted sonochemistry method”** authored by **J. L. A. S. Pereira, F.X. Nobre, R.S. Bindá, V. L. I. Bentes, R. M. Silva, M.Q.C. Santos, G. S. Sousa, W. A. G. P. Júnior, L. Manzato, J. M. E. Matos, W. R. Brito and P.R.C. Couceiro** was presented in the II International Conference on Molecules, Polymers and Material Physics held during November 09-11, 2016 at Universidade Federal do Amazonas (UFAM), Manaus, Brazil.
